State of Emergency Policy

State of Emergency Procedures Authorization Policy

In a state of emergency, the library director will have authority to restrict services and/or implement immediate procedures as deemed necessary to preserve and ensure the safety of library Staff and Patrons. This policy will take precedence and override conflicting policies during a state of emergency. Restriction of services will be determined in accordance with any applicable Executive Orders from the State and Local Government and will be executed by the Library Director in coordination with the Library Board of Trustees. Pertinent changes will be communicated to the library community as quickly as possible, and as safety allows.
